

TU COCINA MEXICANA

# Pan Mexicano

The Champion Rooster opened its original Mexican restaurant in 1987 with the vision of recreating the authentic flavors of México. Ever since, we have offered uncompromising quality, and truly traditional Mexican food bursting with freshness and flavor.

## Now Offering Mexican Pastries

In Mexican culture, bread prepared fresh—with care and authentic ingredients—is key to bringing out the best flavors of a meal. That's why panaderias, or traditional Mexican bakeries, begin early in the morning, baking an assortment of breads to be sold that very same day.

At El Gallo Giro, we proudly carry on this custom by offering our most popular Pan Mexicano in convenient new variety assortments your customers will enjoy, and you will be proud to sell!
